Fund selection - Your withdrawal will be funded from your holdings. We may use cash on your account first. We will then look to fund the remainder of your Withdrawal Plan from the holdings you specify below. In some cases where a fund is closed/suspended/unavailable we may sell other assets within your account to raise the required withdrawal amount on your behalf. Some fund managers may apply a sell charge in which case we will sell enough of your holdings to give you your required amount plus the charge.

Please complete the fund choice(s) and withdrawal amount(s) below. Please note that we derive your fund choices from the Fund Codes therefore please ensure you enter this correctly. Fund Codes can be found by viewing the fund factsheets at fidelity.co.uk/funds.

Please enter the **total amount** you wish to withdraw and the **percentage** of the total that you wish to withdraw from each fund. Brokerage or Exchange Traded Assets including EFTs and ITs may not be included in your selection.
