2 About your nationality

Without your nationality details, MiFID II regulations mean we cannot trade in these types of investment for you and any dividends for reinvesting will remain in your account as cash.

Are you a UK National? (Please mark an X in the box) If you are only a UK national, please go to section 3.

Are you a national of any of the countries listed in the table below?

If so, please mark an X in the box next to any country that applies to you. If you hold one of these nationalities, please provide the requested identifier. If you are a national of more than one of these countries, you should only provide your identifier details for the country that is closest to the top of the list.

3 The shares you are moving into your Fidelity account

Please list each asset, number of shares, and the total number of certificates per transfer instruction. Please note a Crest transfer form is required for each asset transfer instruction. The total number of shares relates to the total number of shares to be re-registered for that asset. You do not need to add a line for each individual certificate.

Should any of these assets pay income, we will follow your existing preferences for income payments on your account. If you are opening a new account, then income payments will be automatically paid to cash if you manage your own investments through our Personal Investing website, or reinvested for you if you manage your investments through an adviser of intermediary website.

If there is a corporate action on any investment you own, you will have to be registered for our online services to be notified of the event by secure message. You will be able to take up any potential election through your online Fidelity account. As our corporate actions service is online only, we do not notify, or allow participation, through any other method.

4 Declaration and signature

I understand that the information I provide on this application form will be processed in accordance with Fidelity's data protection statement contained in the Client Terms. We cannot change beneficiary ownership of stocks by way of depositing into your account with us. Therefore named shareholder(s) on the certificate MUST match the name of the owner on the Fidelity Investment Account. If this is not the case, your certificate will be rejected, and will only be accepted when the names on the certificate and account match. You can change names on the share certificate by contacting the registrar, alternatively, you can open an investment account ensuring the name(s) match the share certificate. You can do this online, you'll need to complete and send us the Joint Holder Supplement Form if there is more than one account holder.

I declare that:

- I am not a US citizen, am not resident in the US, and do not have an obligation to pay tax to the US authorities on my worldwide income.
- I have read the Key Features Document. (This is Doing Business with FundsNetwork if you invest through an adviser, or Doing Business with Fidelity if you look after your own investments.)
- I accept the Client Terms. (These are the FundsNetwork Client Terms if you invest through an adviser, or the Fidelity Client Terms if you look after your own investments.)
- The information I have given is correct to the best of my knowledge and I will tell Fidelity immediately if any of it changes.
